A program that is preparing America's youngest children to succeed in school

Reading with your 2-Year-Old

- Toddlers like to help turn the pages.
- Listening for 5 minutes is a long time! Stories are a good way to help toddlers increase their attention span.
- Remember, you don't have to read the words in the book. You can talk about the pictures instead.
- 2-Year-Olds like to point and name pictures.
